Mega Probiotic-ND™

Mega Probiotic-ND™ is a non-dairy probiotic formulation produced from an all-natural source of beneficial microorganisms and FOS to support digestive tract health.*

Mega Probiotic is:

- Guaranteed to contain 5 billion microorganisms per capsule with 8 different strains from non-dairy sources!
- Recommended for children, adults and the elderly

Recommended For:

- Gastrointestinal and neurological support*
- Individuals who are lactose intolerant*
- Normalizing digestion*
- Supporting regularity*

About the Formula

- **Lactobacilli** (*L. Acidophilus*, *L. rhamnosus*, *L. casei*) are located in the small intestine and produce lactic acid. Many strains of bacteria from the *Lactobacillus* family have been shown to promote regularity, support urogenital and vaginal health as well as produce the lactase enzyme and protect the gut lining from unwanted materials.*
- **Bifidobacteria** (*B. lactis*, *B. breve*, *B. longum*, *B. bifidum*) are located in the colon and produce lactic and acetic acids, making the gut a very inhospitable place for unwanted materials. Bifidobacteria have been shown to promote regularity, even while traveling abroad.*
- **Streptococcus thermophilus** is also a lactic acid producer which lines the gut wall to provide a barrier from unwanted materials, promotes regularity and produces the lactase enzyme.*

- **Fructooligosaccharides** (FOS) are considered a soluble fiber and pre-biotic, which supports the growth of beneficial microorganisms in the intestinal tract.* FOS, as a fiber, increases the bulk in the gut to promote regularity.*

Supplement Facts

Serving Size: 3 Capsules

Amount Per Serving

Probiotic Bacteria Complex	15 billion CFU
containing <i>Lactobacillus acidophilus</i> , <i>Lactobacillus rhamnosus</i> , <i>Bifidobacterium lactis</i> , <i>Lactobacillus casei</i> , <i>Bifidobacterium breve</i> , <i>Bifidobacterium longum</i> , <i>Bifidobacterium bifidum</i> , <i>Streptococcus thermophilus</i>	
Fructooligosaccharides (FOS)	660 mg

Other Ingredients: rice flour, vegetable cellulose.

Warning: If pregnant or nursing, consult your healthcare practitioner before taking this product.
